Shona Tutor

I am a qualified Primary School Teacher at Diploma level from Marymount Teachers College 2016 -2019. I have worked as a relief teacher at Tomorrow Trust in 2021. Was a student teacher at Mutanda Primary School in Mutare.

I am passionate about teaching. I want to impart knowledge to learners so that they can go beyond. By so doing we will be instilling discipline in learners, motivating them to go higher.
